In 2009, the Louisville Bicycle Club (LBC) will be hosting a full series of Brevets de Randonneurs Mondiaux (200, 300, 400, and 600 km events). These brevets serve as qualifying events for both international and domestic grand randonnees such as Paris-Brest-Paris (PBP), Gold Rush Randonee, Last Chance, and other rides and awards sanctioned by Audax Club Parisien (ACP), Randonneurs Mondiaux (RM), and Randonneurs USA.

The next PBP is scheduled for August 2011. **Please note: to qualify for PBP US riders must complete a full brevet series in 2011 before mid-July!** For further information on PBP, Randonneurs Mondiaux, Randonneurs USA, etc. please see the RUSA web site. [www.rusa.org](http://www.rusa.org)

## Accommodations

There are three motels near the start

Days Inn, 101 Howard Drive  
Country Hearth Inn, 100 Howard Drive  
Best Western, 115 Isaac Shelby Drive

Overnight accommodations are at the rider's expense. Registration, the start and the finish check points for each event, and the overnight check point for the 600 km event will all be staged at the Days Inn. After the 300K, 400K and the 600K, you'll be able to shower in the room used for the start / finish check point. **Please be sure to bring your own towel and wash cloth for showering. The hotel will not provide these.**

## Support

**Riders are considered to be on a self-guided, unsupported tour and are to be completely self-sufficient.**

Support may occur only at check points. Typically, these are country stores, gas stations, or restaurants. Only official vehicles are allowed on the course. Only official vehicles may provide support on the brevet course. **For this event, however, there is no official support even in case of emergencies.**

Private support vehicles are discouraged. If used, private support vehicles must be registered when the rider registers. They must stay off the course and may meet their riders only at check points. Private support vehicles must use an alternate route — i.e., not the brevet course — to get to check points.

### Routes

All routes are out and back routes beginning and ending in Shelbyville, KY.

The 200 km brevet has a turnaround point in Sparta, KY

The 300 km brevet extends the 200 km brevet with a turnaround in Crittenden, KY.

The 400 km brevet extends the 300 km brevet with a turnaround in Ivor, KY.

The 600 km brevet adds a 200 km Shelbyville – Monterey – Shelbyville excursion.

Doing the 200 km and 300 km brevets allows you to see during daylight the route that is likely to be ridden in the dark on the 400 km and 600 km brevets.

The rides have the following start times. These are the times the ride will start. You must arrive early to sign in. LBC “Wheelman time” will not be observed.

200 km           7:00 am

300 km           6:00 am

400 km           4:00 am

600 km           4:00 am

In addition to the physical challenges, riders must be able to deal with some dogs. **Most Kentucky counties / cities do not have leash laws, so the routes are not dog free.**

All routes are marked with white Dan Henry arrows. Only turns are marked. Three arrows are used at each turn (before, at, after). Routes are not marked inside towns. Cue sheets with full details are provided. No maps are provided. Each rider receives a brevet card with check point locations and check point opening / closing times.

### Medals

All medal purchases will be handled through the RUSA website. If you are interested in purchasing medals for your brevets, please visit the RUSA site after your results are submitted and posted.
