ARTICLE I — NAME

The name of the corporation shall be the Louisville Wheelmen, Inc., doing business as the Louisville Bicycle Club, hereinafter referred to as the “Club.”

ARTICLE II — PURPOSES

Since its founding in 1897, the purpose of the Club has been to promote recreation, health and mobility through cycling and cycling-related activities.

We further these purposes by maintaining active programs in the areas of touring, racing and commuting; by supporting national organizations of like purposes such as the League of American Bicyclists (LAB) and the United States Cycling Federation (USCF); and by educating our membership and the general public on the benefits of cycling. Maintaining a diversity of programs is a source of our strength: tourists, racers, commuters and casual riders together form one Club; and the assets of the Club, unless designated by the donor for the support of a particular activity, will be used to support the total activities of the Club.

Consistent with our commitment to safety, helmets approved by recognized safety standards organizations must be worn on all Club or Club-sanctioned rides.
