

2018 LBC Ride Schedule

Views

- The default view is **Month**, but you can click on **Week** or **Agenda** to change the view.
- In any view, click a ride to see more details.

The image displays three screenshots of the LBC Ride Schedule interface, illustrating different views:

- Month View:** Shows a calendar for December 2017. The 'Month' view is selected. It displays a grid of dates with ride details for each day. For example, on Tuesday, Dec 28, there is a ride at 11am for 25 mi #3 to Evange.
- Week View:** Shows a weekly calendar for Nov 26 - Dec 2, 2017. The 'Week' view is selected. It displays a grid of days with ride details for each day. For example, on Wednesday, Nov 29, there is a ride at 10:00am for 58 mi #3 to Tom Sawyer Park.
- Agenda View:** Shows a detailed view of the ride schedule for Wednesday, November 29. The 'Agenda' view is selected. It displays a list of rides for each day, including the time, distance, and location. For example, on Wednesday, Nov 29, there is a ride at 10:00am for 58 mi #3 to Tom Sawyer Park.

Printing

- Click **Agenda** for list view.
- Click **Print**.
- Select desired options. Check **Print descriptions**, if you want the ride details.
- Click **Print**, or **Save As** for a PDF file.

The screenshot displays the 'LBC Ride Schedule' application interface. At the top, there are navigation buttons for 'Today', 'Sunday, September 24', and 'Agenda'. The main content area shows a list of rides for Sunday, September 24, and Monday, September 25. A 'Calendar Print Preview' dialog is open, showing a preview of the schedule for Sunday, September 24, 2017. The preview includes the title 'LBC Ride Schedule', the date 'Sun Sep 24, 2017', and the first ride at 7:15am. Below the preview, there are settings for the print range (Sep 24 - Oct 7, 2017), font size (Normal), orientation (Auto), and checkboxes for 'Print descriptions' (checked), 'Print end times', 'Print attendees', 'Print your response', 'Show events you have declined', and 'Black and white' (checked). At the bottom of the dialog are buttons for 'Print', 'Save As...', and 'Cancel'.
