

## **A Message from LBC concerning locally owned Bike Shops**

During this time of economic impact and social uncertainty the threat that we may lose many of our local bike shops is very real. If you find that you can financially support your favorite shop, please do so. Many of the local stores offer gift cards to purchase. This is a great way to support them during this time and to help hold them over until they can resume business as usual. So, if you are going to spend the money anyway once this is over (and it will be over at some point) and choose to do so, please help them out. I have tried to put together a list of all locally owned bike shops and am providing their websites, contact pages and links to gift cards sales if I could find them.

I'm sure I missed a few so please notify me with any that I missed, and I will add them to this document.

They are listed in no particular order; I had my daughters pull them out of a hat in order to be fair. New additions will be randomly inserted via RNG.

If any bike shop listed does not wish be, please let me know via email: [communications@louisvillebicycleclub.org](mailto:communications@louisvillebicycleclub.org) and I will remove you.

The list follows on the next page...

**Thank you and Stay Safe out there!**

Steven Jent

VP of Communications
