Please note that if you cannot attend the annual meeting and would like to vote for the election of officers, you may request a ballot from the secretary. Requests must be received by January 21st.

You may email the secretary at: secretary@louisvillebicycleclub.org

Candidate Statements

President

I will be honored to continue serving as president of the club for another year. - Jeff White

Secretary

In 2019 I moved to Louisville and purchased my first road bike. Before I was even able to buy a house and settle into Kentucky was shut down due to COVID-19 and as a result my only social life in Kentucky outside of my work and my wife's work is with this club. I am running for secretary of the Louisville Bicycle Club in order to give back and say thank you to the club that has given me joy, friends, physical and mental health in abundance during a time when it is hard to find any of those things. Thank you for your vote. - Clint

Treasurer

I am completing my first year as Treasurer of the Louisville Bicycle Club. I would be happy to continue in this role for the upcoming year. I am a retired CPA with experience in serving as Treasurer for several other non profit organizations. - Phil Mattingly

VP Advocacy

*** Remains Open at time of printing ***

Candidate Statements (cont.)

VP Communications

Rolling, rolling, rolling. That is what I am here for, to help keep the club rolling and pitch in when and where I can. To that end I'd be honored to once again serve as the VP of Communications. - Steven

VP Education

I would be glad to continue in my position as VP of Education. - David Wittry

VP Information Technology

I was honored to serve as the VP of Information Technology for the last couple of months of 2021. I hope that you saw the value in what I brought to the executive committee and the Louisville Bicycle Club. Some projects I helped lead was the launch of the new LouisvilleBicycleClub.org and also creating brand standards for the Louisville Bicycle Club. I would be like to serve as your VP of Information Technology in 2022. - Erik Helton

VP Racing

I'm Kevin Williams, I'm a candidate for VP of Racing. I'm looking forward to bringing back a racing presence in the LBC. Thank You

VP Touring

I'd like to take on the VP of Touring position with LBC. This will be my 6th year with the club. I was originally introduced to LBC by completing the free training classes held by Dave Wittry. I love the encouragement, passion and safety mindedness demonstrated by our members. I've been a ride captain numerous times and completed the Mad Dog challenge the past 3 seasons. Most importantly, I recently retired. This will allow me to dedicate more time to support and grow our club.—John
